

12 July 2012

**"Notification regarding combined issue"**

Since the number of accepted papers was currently insufficient for printing, the Editorial Board decided to publish this issue in a combined form with Volume 45, No.2. The Editorial Board will try to keep making efforts to give a significant leap forward to our Journal. We ask you to continue to give us your understanding and cooperation.

Dr. Masaki Ishida, Editor-in-Chief

The Japanese Journal of Protozoology
